MARKETING DIRECTOR BUSINESS DEVELOPMENT

Twenty Year professional business background in the manufacturing sector, servicing the Canadian and United States Markets.

Import and Export of soft goods, both Canadian made, and from Asian over-seas markets.

All aspects of operations from product development, financing, to production and final market development and distribution.

BUSINESS CONSULTANT

Independent initiatives through high level government contacts in China and Philippines, coordinating a consortium of Canadian Businesses in the area of Infrastructure and Economic development.

Directly involved in all aspects of negotiations, planning, international banking, and ministerial participation on the ground.

Through the business network established over time, I was introduced to an Ambassador based in Asia that resulted in my being selected for a diplomatic post, to represent a West African Nation.

I would have been stationed in Thailand as Honorary Consul General, whose functions were to enhance diplomatic relations between Asia and West Africa.

I was introduced to certain parties related to China Heritage Foundations in 2001, that would influence my decision to defer my Diplomatic mission.

From this time until the present I have been acting as consultant and business arranger in the management and Investment of such Historic Assets toward the application in areas of Humanitarian and Economic Development considerations.

Co-ordinated Private Placement Investment. This effort has been totally self financed and has become a monumental challenge.

Acting as Senior Vice-president of Marketing and Business Development for PMA Consulting Enterprises Incorporated a Nevada Corporation, I intend to bring forward a wealth of contacts and resources, toward the eventual implementation and catalyst for serious Global Economic and Developments worldwide and to affect a very positive impact.

PERSONNAL GOALS

My personal goals include, but are not limited to the establishment of a unique Learning Centre, Library, and Arts Facility worldwide, wherein peoples of all race, creed and religion will have free access.

This facility will offer educational tools and a special environment where peoples from all ethnic and religious backgrounds will have easy access to information, leading to a greater awareness of the multi cultural and diverse religious mosaic of the world in which they live.
